STANDING ORDER RE: APPEARANCES IN DEPARTMENTS 9 & 10

In effort to provide access to justice, the court incorporates videoconferencing. The court will use the Zoom Platform. Please see **Attachment A** to determine how you can appear for matters heard in Departments 9 and 10. Your witnesses can also appear by Zoom videoconferencing as specified in this standing order. The court will allow, in the same proceeding, to have one litigant or an attorney appear in-person and have the other litigants or attorneys appear by Zoom.

To request to appear by Zoom videoconferencing, an [Application for Videoconference Appearance and Order \(Local Form M-51\)](#) must be submitted to Department 9 within seven (7) days before your hearing. If you do not have sufficient time to submit the Local Form M-51, then you may submit within one (1) day of the date you were served with the notice of hearing.

If the court grants your appearance by Zoom, you must provide your exhibits three (3) days prior to your hearing in Department 9 and to the opposing party. You must file a proof of service indicating you provided the exhibits to all parties.

You must have a stable internet connection. If the hearing is not able to proceed efficiently, or prohibits due process, then the court will reserve all parties and attorneys to appear in person.

IT IS SO ORDERED.

Superior Court Judge
