Effective August 05, 2025, the Local Rules of the El Dorado County Superior Court are amended to add the following:

4.00.09 DIGITAL SIGNATURES

Digital signatures on documents filed with the Court are authorized and shall have the same force and effect as the use of a manual signature. All digital signatures must comply with the requirements of Government Code section 16.5(a)(1)-(5). A party who files a document containing a digital signature under this rule represents that the signer's certificate or similar verification document is maintained in the party's possession or control and may be subject to production upon request from the Court.
