TERMINATE GUARDIANSHIP, CCRC REVIEW**

A Petition to Terminate Guardianship was filed on 4/19/24 by the mother. The probate investigator filed two reports: one on 6/7/24, amended on 6/10/24. The investigator recommended against terminating guardianship but supports expanded visitation for the mother based on her progress and the child's wishes. Court referred the parties to mediation to develop an expanded visitation plan for mother. The mediator outlined a setup plan for visitation between mother and child. The court intends to adopt the step-up plan as the court's orders and deny the petition to terminate the guardianship without prejudice.
