

**1. Guardianship of Mariah A 25PR0312
PETITION TO APPOINT GUARDIAN**

A Petition to Appoint a Guardian and Temporary Petition was filed on 11/6/25. Letters of Temporary Guardianship were issued on 12/3/25. Due to defective service, the court continued the initial hearing on 1/7/26 to 2/11/26 and reissued the temporary guardianship with new letters. The court received the probate investigator report on 12/31/25 which recommends that the petition be granted. The court has not received the Department of Justice background results. There are no notices of hearing for any individuals entitled to notice. Proposed guardians request that the court dispense with notice to the biological parents. It appears that since the filing of the petition the biological father has come back into Mariah's life, which the court infers means that the proposed guardians may now have contact information for him. As to the biological mother, it appears that the proposed guardians have inconsistent contact with her and may be able to give her notice of the hearing via text messaging. While the court finds that the guardianship appears to be necessary and appropriate, the court orders appearances to resolve the notice issues.
