Discovery Motions & Motion for Relief		

TENTATIVE RULING #1:

HEARING CONTINUED TO MONDAY, JULY 6, 2026, AT 8:30 AM IN DEPARTMENT NINE.

2.	25PR0304	ESTATE OF ANDERSON
Petition to Determine Title & Letters of Administration		

Decedent died intestate on February 13, 2024, survived by three adult children. Petitioner Daniel Anderson is decedent's son. Respondent Tammy Diaz is decedent's daughter. Kevin Anderson is the third adult child of decedent.

Petition to Determine Title to Real Property

On November 12, 2025, Daniel Anderson filed a second Petition related to the estate of decedent, to determine title to real property and to set aside a fraudulent conveyance. Respondent Tammy Diaz is decedent's daughter, although the Petition alleges that Tammy Diaz is not an heir or beneficiary of decedent. Respondent's Objection alleges that she is an heir as one of decedent's three children.

According to this Petition, two days before decedent's death of advanced cancer, he executed a deed to real property that is the principal asset of decedent's estate. The stated consideration for the transfer was one dollar.

Petitioner asserts that Respondent was in a position to exert undue influence over decedent at the end of his life, when he was heavily medicated and dying of cancer. Petitioner notes that decedent did not have the benefit of legal counsel in this transaction. Petitioner alleges financial abuse of an elder pursuant to Welfare and Institutions Code § 15610.30. Petitioner requests the court to set aside the grant deed transferring title to the property based on lack of capacity and undue influence, and to determine that title belongs with decedent's estate pursuant to Probate Code § 850. This request is based on decedent's lack of capacity to execute the deed, the exertion of undue influence by Respondent.

A proof of service of the Petition was filed on November 12, 2025, but only names Respondent Tammy Diaz, it does not include the third sibling Kevin Anderson, who was noticed of the Petition for Letters but not noticed of the instant Petition to determine title to the real property.

Objection

Respondent objects to the Petition to Determine Title to Real Property. The Objection is framed in part as an objection to the Petition, but also as an Answer to a Complaint. As part of that Objection Respondent takes issue with various statements in the Petition for Letters; however, the Objection responds to the Petition to Determine Title, not to the Petition for Letters. Excluding the arguments directed at the initial Petition for Letters, Respondent argues that she was not personally served notice of the Petition as required by Probate Code 851(a)(2) and Code of Civil Procedure § 413.10.

Analysis

Probate Code § 850(a)(2)(d) authorizes "any interested person" to file a Petition "[w]here the decedent died having a claim to real or personal property, title to or possession of which is held by another." Section 851(a)(2) requires notice of such Petition to be served on "[e]ach person claiming an interest in, or having title to or possession of, the property" as would be required for a Summons by Code of Civil Procedure § 413.10: "A summons may be served by personal delivery of a copy of the summons and of the complaint to the person to be served."

The proof of service of the Petition indicates that service was by mail, which does not meet the statutory requirements. At the hearing on December 29, 2025, the Court continued the matter to allow proper service of the Petition. As of the writing of this Tentative Ruling there is no complete proof of service of the Petition in the Court's file.

Petition for Letters

Daniel Anderson filed a Petition for Letters on October 31, 2025. The Petition requests full authority under the Independent Administration of Estates Act.

The Petition alleges that the Will waives bond but also states that the decedent died intestate.

A Duties/Liabilities statement (DE 147/DE 147s) was filed on October 31, 2025. There is a proof of service of the Petition to administer the estate on file with the Court but it bears no filing date.

Proof of Publication was filed May 6, 2026.

Competing Petition for Letters

Tammy Diaz has now filed a competing Petition for Letters of Administration, requesting full authority. The Petition requests that bond be fixed and furnished by an admitted surety insurer. The Petition indicates that decedent died intestate.

Paragraph 8 of the Petition lists 15 individuals but does not indicate their relationships to decedent.

A Duties/Liabilities statement (DE 147/DE 147s) was filed on April 24, 2026.

Proof of Publication was filed May 6, 2026. The Notice of Petition was filed on April 30, 2026.

4.	26PR0082	MATTER OF BOLSTER FAMILY REVOCABLE TRUST
Petition to Confirm Trust Property		

Petitioner David E. Bolster is trustee of the Bolster Family 1989 Revocable Trust Agreement dated August 11, 1989 (“the Trust”). On August 11, 1989, Eugene Wright Bolster and Arlene Janet Bolster, husband and wife, as settlors (hereinafter “Settlors”) executed a declaration of trust entitled the Bolster Family 1989 Revocable Trust Agreement dated August 11, 1989. On May 30, 2001, the Settlers executed the First Amendment to the Trust.

On August 11, 1989, immediately after execution of the trust instrument, the Settlers executed a General Transfer document, which provided that “the Grantors hereby grant, transfer, assign and convey to the Trustees all of the Grantors' interests in all real property, of whatever nature and wherever situated.” This General Transfer document was recorded in the El Dorado County Recorder’s office on December 31, 1989.

In 1991 and 1992, the Settlers transferred Parcel 1 and Parcel 2 to themselves as Co-Trustees of the Trust. In 1994, the Settlers created a Corporation, and all shares of the Corporation’s capital stock were issued to the Trust. Following the creation of the Corporation, the Settlers transferred Parcel 1 and Parcel 2 from the Trust to the Corporation. At the time of the surviving Settlor’s death in 2013, Parcel 1 and Parcel 2 were both titled in the name of the Corporation, despite the 2010 dissolution of the Corporation.

Probate Code § 850 permits a trustee who has a claim to property, the title to or possession of which is held by another, to file a petition requesting that the court make an order pursuant to Probate Code § 856 authorizing and directing the person having title to or possession of real property to execute a conveyance or transfer to a person entitled thereto, or granting other appropriate relief. Probate Code § 851 requires the Petitioner to serve notice of the hearing and a copy of the Petition at least 30 days prior to the hearing to each person claiming an interest in or having title to or possession of the property. When the matter concerns a decedent estate, notice shall also be given to any heir or devisee whose interest may be affected by the Petition in accordance with Probate Code § 1200.

Probate Code § 857 provides that in the event that the court issues such an Order:

(a) The order is prima facie evidence of the correctness of the proceedings and of the authority of the personal representative or other fiduciary or other person to make the conveyance or transfer.

(b) After entry of an order that the personal representative, other fiduciary, or other person execute a conveyance or transfer, the person entitled thereunder has the right to the possession of the property, and the right to hold the property, according to the terms

of the order as if the property had been conveyed or transferred in accordance with the terms of the order.

Notice of the hearing and a copy of the Petition were mailed at least 30 days prior to the hearing, to each person claiming an interest in or having title to or possession of the property, as well as any heir or devisee whose interest may be affected by the Petition. The notice and Petition were mailed on March 30, 2026.

Pursuant to Probate Code §850 and *Estate of Heggstad* (1993) 16 Cal.App. 4th 943, 947-950, the Court finds sufficient evidence that decedent intended the above-mentioned assets be part of the Trust.

TENTATIVE RULING #4:

5.	26PR0027	MATTER OF BREHM REVOCABLE LIVING TRUST
Petition to Confirm Trust Property		

The Petitioner is the presently acting Co-trustee of The Marilee Brehm Revocable Living Trust ("Trust") dated December 5, 2018. Marilee Brehm died on September 2, 2025. Before her death, Ms. Brehm had executed the Trust as well as a Trust Transfer Deed (the "Deed") which was intended to place her real property into the Trust. The Schedule A to the Trust also lists the property as an asset of the Trust.

Settler Marilee Brehm signed the Deed in the presence of notary S. Marcella Goodwin. Upon attempted recording, the El Dorado Recorder-Clerk rejected the document citing a mismatch of names between the Deed's provisions and the signatory's name in the notary acknowledgement. This error was apparently never corrected as the property remains in the name of Marilee Brehm as an unmarried woman, contrary to the intentions made clear in the Trust and Deed.

Probate Code § 850 permits a trustee who has a claim to property, the title to or possession of which is held by another, to file a petition requesting that the court make an order pursuant to Probate Code § 856 authorizing and directing the person having title to or possession of real property to execute a conveyance or transfer to a person entitled thereto, or granting other appropriate relief. Probate Code § 851 requires the Petitioner to serve notice of the hearing and a copy of the Petition at least 30 days prior to the hearing to each person claiming an interest in or having title to or possession of the property. When the matter concerns a decedent estate, notice shall also be given to any heir or devisee whose interest may be affected by the Petition in accordance with Probate Code § 1200.

Probate Code § 857 provides that in the event that the court issues such an Order:

(a) The order is prima facie evidence of the correctness of the proceedings and of the authority of the personal representative or other fiduciary or other person to make the conveyance or transfer.

(b) After entry of an order that the personal representative, other fiduciary, or other person execute a conveyance or transfer, the person entitled thereunder has the right to the possession of the property, and the right to hold the property, according to the terms of the order as if the property had been conveyed or transferred in accordance with the terms of the order.

Pursuant to Probate Code §850 and *Estate of Heggstad* (1993) 16 Cal.App. 4th 943, 947-950, the Court finds sufficient evidence that decedent intended the above-mentioned assets be part of the Trust.

7.	26PR0028	ESTATE OF ELDER
Spousal Property Petition		

Petitioner is the surviving spouse of decedent, who died intestate August 26, 2025, survived by Petitioner and two adult children. No petition to administer the estate has been filed.

Probate Code § 100(a) provides that “[u]pon the death of a person who is married or in a registered domestic partnership, one-half of the community property belongs to the surviving spouse and the other one-half belongs to the decedent.”

Probate Code § 6401(a) states: “As to community property, the intestate share of the surviving spouse is the one-half of the community property that belongs to the decedent under Section 100.”

Probate Code § 13500 provides that “when a spouse dies intestate leaving property that passes to the surviving spouse under Section 6401, . . . the property passes to the survivor . . . , and no administration is necessary.”

Probate Code 13650 authorizes a surviving spouse to file a petition requesting an order that administration of all or part of an estate is not necessary because all or part of the estate is property passing to the surviving spouse.

The Petition in this case identifies real property that is the subject of the Petition.

Notice of the hearing on the Petition was served on decedent’s children and proof of service was filed with the court on February 24, 2026.

11.	25PR0305	ESTATE OF ABRAHAMSON
Petition to Determine Succession to Real Property		

Decedent died on December 25, 2019. This Petition is filed by Myrna Lunceford and Deborah Land, who are presumably decedent's siblings, pursuant to Probate Code § 13150 et seq. That statute allows the Court to determine succession to real property outside of probate for real property that is valued at less than \$166,250 for a decedent who died prior to April 1, 2022. The Petition indicates that the decedent died intestate with no surviving parents, children or spouse, and that no probate was opened for the estate.

Item 14 of the Petition indicates that the names of decedent's siblings are attached to the Petition but no such attachment is included with the filed document. The Petition indicates that the value of decedent's real property is less than the limit for a small estate. Probate Code § 13151. However, the Petition does not attach an inventory and appraisal (Judicial Council Forms DE-160, DE-161), nor does the Petition identify the real property, as required by the statute. Probate Code § 13152.

The matter was heard on December 29, 2025, but there were no appearances. The Court continued the matter to allow the Petitioners an opportunity to conform the Petition to the requirements of Probate Code § 13152. At the hearing on March 16, 2026, counsel for Petitioners appeared and the Court continued the matter.

At the hearing on April 6, 2026, counsel requested a continuance.

Nothing new has been filed since the original pleading. This is the fourth hearing on the Petition. The deficiencies outlined have still not been cured, with no reasonable explanation for why these simple requirements have not been met. Petition denied without prejudice.

Decedent died on October 13, 2025, as a resident of El Dorado County. He died intestate.

The gross value of decedent's interest in real property described in item 11, did not exceed \$750,000. An Inventory and Appraisal was completed by a probate referee and shows the value of property subject to this Petition to be \$300,000.

Probate Code § 13152(e) requires that Form DE300 also be attached to the Petition, *see* Petition paragraph 8(b). That form is included with the Petition.

Decedent is survived by two adult daughters. The interest claimed by petitioners in each specific piece of real property is: 50% each.

Attachment 11 contains the legal description and APN of the real property.

Attachment 14 contains the names, relationships to decedent, ages, and residence/ mailing addresses, as far as known to or reasonably ascertainable by petitioner, of all persons named or checked in items 1, 9, and 10, all other persons who may be entitled to inherit decedent's property in the absence of a will, and all persons designated in the will to receive any property.

Decedent had a pour-over Will, directing all of his estate to be distributed to the Trustee of the Trust, and administered pursuant to the Trust.

Probate Code § 850 permits a trustee who has a claim to property, the title to or possession of which is held by another, to file a petition requesting that the court make an order pursuant to Probate Code § 856 authorizing and directing the person having title to or possession of real property to execute a conveyance or transfer to a person entitled thereto, or granting other appropriate relief. Probate Code § 851 requires the Petitioner to serve notice of the hearing and a copy of the Petition at least 30 days prior to the hearing to each person claiming an interest in or having title to or possession of the property. When the matter concerns a decedent estate, notice shall also be given to any heir or devisee whose interest may be affected by the Petition in accordance with Probate Code § 1200.

Probate Code § 857 provides that in the event that the court issues such an Order:

(a) The order is prima facie evidence of the correctness of the proceedings and of the authority of the personal representative or other fiduciary or other person to make the conveyance or transfer.

(b) After entry of an order that the personal representative, other fiduciary, or other person execute a conveyance or transfer, the person entitled thereunder has the right to the possession of the property, and the right to hold the property, according to the terms of the order as if the property had been conveyed or transferred in accordance with the terms of the order.
