6.	**26PR0096**	**IN THE MATTER OF THE MARY HOUGH JONES REVOCABLE TRUST**
PETITION HEARING		

On September 2, 2026, Petitioner, A. Kristine Jones Rankin ("Petitioner" or "Trustee"), filed a Petition for Order Confirming Existence of Trust and Order Determining Title to Assets (the "Petition"). On October 19, 2026, the Court continued the Petition to allow for proper service on Ray Richard Telford. On November 3, 2026, Petitioner filed a Proof of Service indicating Ray Richard Talford was personally served.

On June 2, 1999, Mary Hough Jones ("Settlor"), created The Mary Hough Jones Revocable Living Trust, which was amended and restated in full on March 9, 2017 (the "Trust"). A First Amendment to the amended and restated Trust was executed on February 6, 2020 (the "Amendment"). On the same date, Settlor executed a Declaration of Trust (the "Declaration") and Last Will and Testament (the "Pour-Over Will"). At the time of Settlor's death, the following Deed of Trust (the "Deed of Trust"), which was secured against the real estate located at 4730 Spring Drive, Reno, Nevada 89502, remained in her name individually:

> Deed of Trust dated May 03, 2022, and recorded on May 03, 2022, as Document Number 5300259 in the Official Records of Washoe County, between Ray Richard Telford, on the one hand, and Mary H. Jones, ("DOT"), on the other hand.

Petitioner believes it was Settlor's intent to transfer all of her real and personal assets, including the Deed of Trust, to the Trust, as evidenced by the Declaration and Pour-Over Will. The Declaration provides all assets, whether presently owned or hereafter acquired, be transferred to and held in Trust.

The Pour-Over Will provides, in part:

> I give, devise, and bequeath the remainder of my estate to the then-acting Trustee or Trustees of the Mary Hough Jones Revocable Living Trust, together with any additions or amendments thereto, to be added to the principal of that trust and to be held, administered and distributed under the Trust Agreement and any amendments to such Trust Agreement. I direct that such Trust Agreement shall not be administered under court supervision, control or accounting, and the trustee shall not be required to give bond in such capacity.

Petitioner requests the Court confirm the Deed of Trust be confirmed as an asset of the Trust.

Probate Code § 850 permits a trustee who has a claim to property, the title to or possession of which is held by another, to file a petition requesting that the court make an order pursuant to Probate Code § 856 authorizing and directing the person having title to or possession of real property to execute a conveyance or transfer to a person entitled thereto, or granting other appropriate relief.

Probate Code § 851 requires the Petitioner to serve notice of the hearing and a copy of the Petition at least 30 days prior to the hearing to each person claiming an interest in or having title to or possession of the property. When the matter concerns a decedent estate, notice shall also be given to any heir or devisee whose interest may be affected by the Petition in accordance with Probate Code § 1200.

Probate Code § 857 provides that in the event that the court issues such an Order:

> (a) The order is prima facie evidence of the correctness of the proceedings and of the authority of the personal representative or other fiduciary or other person to make the conveyance or transfer.
>
> (b) After entry of an order that the personal representative, other fiduciary, or other person execute a conveyance or transfer, the person entitled thereunder has the right to the possession of the property, and the right to hold the property, according to the terms of the order as if the property had been conveyed or transferred in accordance with the terms of the order.

Notice of the hearing and a copy of the Petition were served at least 30 days prior to the hearing, to each person claiming an interest in or having title to or possession of the property.

Pursuant to Probate Code §850 and *Estate of Heggstad* (1993) 16 Cal.App. 4th 943, 947-950, the Court finds sufficient evidence that Decedent intended the Deed of Trust be part of the Trust.

7.	**PP20210130**	**MATTER OF THE SADDLE ROAD TRUST**
OSC HEARING		

On June 15, 2021, Petitioner, Jerry Rincon ("Petitioner"), filed a Petition for Orders: 1) Suspension of Powers of Trustee; 2) Removal of Trustee; 3) Full Accounting of All Trust Assets; 4) Denial of Right to Pay for Trustee Attorney Fees with Trust Assets; 5) Surcharge and Repayment of All Estate Property Wrongfully Taken and Disposed of By Trustee; 6) Appointment of Successor Trustee; and 7) Attorney Fees and Costs Incurred by Petitioner to be Paid by Christpher Garden (the "Petition").

On September 12, 2024, Respondent/Plaintiff, Christopher Garden, filed a Complaint for Breach of Agreement and Promissory Notes in case number 24CV1990. The Court consolidated the matters on September 22, 2025.

On October 19, 2026, the Court set an OSC hearing for failure to prosecute the Petition.

On November 16, 2026, Petitioner's counsel, Daryl J. Lander, filed a Declaration which advises that the Court previously ordered the parties to take part in mediation in case number 24CV1990; however, due to Petitioner's medical issues, mediation was continued. Mr. Lander believes mediation can occur between the parties and requests the Court re-order the combined action to mediation with a set completion date.

Probate Code § 1000(a) provides:

> Except to the extent that this code provides applicable rules, the rules of practice applicable to civil actions, including discovery proceedings and proceedings under Title 3a (commencing with Section 391) of Part 2 of the Code of Civil Procedure, apply to, and constitute the rules of practice in, proceedings under this code. All issues of fact joined in probate proceedings shall be tried in conformity with the rules of practice in civil actions.

An action shall be brought to trial within five years after the action is commenced against the defendant. Code of Civil Procedure § 583.310.

The court may in its discretion dismiss an action for delay in prosecution pursuant to this article on its own motion or on motion of the defendant if to do so appears to the court appropriate under the circumstances of the case. Code of Civil Procedure § 583.410.

California Rules of Court, Rule 3.1340 provides:

> The court on its own motion or on motion of the defendant may dismiss an action under Code of Civil Procedure sections 583.410-583.430 for delay in prosecution if the action has not been brought to trial or conditionally settled within two years after the action was commenced against the defendant.

Since filing the Petition on June 15, 2021, Petitioner has taken no action to advance the case, and the matter has remained inactive. Petitioner/Petitioner's counsel have not appeared at a hearing since December 16, 2024. No trial date is set, and no future hearings are on calendar. The Court acknowledges Petitioner's medical issues; however, Petitioner has not made any formal attempt to stay the proceedings. It is Petitioner's burden to move the case forward, which he has failed to do.

The Court finds dismissal of the Petition is warranted pursuant to Code of Civil Procedure §§ 583.310 and 583.410. The Petition filed on June 15, 2021, in case number PP20210130 is dismissed for failure to prosecute. The dismissal shall not extend to the Complaint filed in case number 24CV1990.

TENTATIVE RULING #7:

THE PETITION FILED ON JUNE 15, 2021, IN CASE NUMBER PP20210130 IS DISMISSED FOR FAILURE TO PROSECUTE. THE DISMISSAL SHALL NOT EXTEND TO THE COMPLAINT FILED IN CASE NUMBER 24CV1990.

8.	**25PR0278**	**ESTATE OF RONALD DWAYNE SALZMANN**
FINAL DISTRIBUTION HEARING		

Letters of Administration were issued on January 8, 2026, granting Petitioner full authority under the Independent Administration of Estates Act.

Petitioner advises that her Waiver of Account is attached as Exhibit B; however, the entirety of Exhibit B is redacted.

Proof of Service of Notice of the hearing on the Petition was filed on November 23, 2026. No one has filed a request for special notice in this proceeding.

The proposed distribution of the estate includes 100% distribution to Petitioner, Patricia Ann Salzmann.

1. That no federal or California estate taxes are payable or that they have been paid;

If estate taxes are payable or paid: 1) the petition shall set forth whether said taxes were prorated pursuant to Probate Code section 20100, et seq., or the provisions of the will; and 2) the petition must reflect whether or not there are non-probate assets includable in the gross estate for estate tax purposes.

Petitioner confirms that no federal or California estate taxes are payable, nor are any California or federal income or personal property taxes payable.

It is unclear what the Petition requests, as pages 8-9 are redacted in the entirety.

The Court continues the matter to December 21, 2026, to allow Petitioner to refile a complete copy of the First and Final Report of Administrator on Waiver of Account and Petition for Allowance of Statutory Compensation to Attorney for Ordinary Services and for Final Distribution.

9.	**26PR0259**	**IN THE MATTER OF: THE 2005 PAUL H. SEIDLER REVOCABLE TRUST, DATED OCTOBER 4, 2005**
PETITION HEARING / MOTION TO TRANSFER VENUE		

Before the Court are the following matters: 1) Verified Petition to 1. Compel Trustee to Account and Report; 2. Compel Production of Information and Documents; 3. Remove or Suspend Trustee and Appoint Successor; 4. Restrain Disposition of Trust Property and Block Sale Proceeds; and 5. For Other Relief – Request for Immediate Interim Orders Re Auction Sales Set for September 14 and September 18, 2026; 2) Motion to Transfer Venue to the Superior Court of California, County of Alameda; and 3) Objection to Verified Petition of Spencer Seidler and Erik Bickel and Petition Under Cal. Prob. Code § 17200 for Orders Settling the Trustee's First Account, Passing Upon Acts of the Trustee, Reviewing the Reasonableness of the Trustee's Compensation, Instructing the Trustee, and for Attorney Fees and Costs.

MOTION TO TRANSFER VENUE

On September 21, 2026, Petitioner, Spencer Eric Seidler ("Petitioner"), filed a Motion to Transfer Venue to the Superior Court of California, County of Alameda. Respondent/Cross-Petitioner, Gary Bausch ("Respondent" or "Trustee"), filed an Opposition on November 3, 2026.

Petitioner argues the sole acting trustee resides and administers the Trust from Livermore, California in Alameda County, and every remaining item of trust property is located at an auction house in the City of Alameda. The Trust has held no assets in El Dorado County since its real property there was sold in February 2023. Petitioner asserts the day-to-day activity of the Trust, which includes the custody, cataloguing, and auction of its remaining property, is carried on in Alameda, where the trustee consigned the collection.

The trustee does not reside, work, or administer trust property in Placerville, and no trust asset is or has been located there. To the extent trustee's position is that the day-to-day activity of this Trust is carried on at his counsel's law office, that is an admission about who is administering the Trust, not a venue fact, which would raise questions as to the trustee's duty not to delegate acts he can reasonably perform himself. As such, the principal place of administration is in Alameda County.

Respondent asserts the trustee is administering the Trust from his attorney's office, which is located in El Dorado County. At the time of Settlor's death, all assets of the Trust were located in El Dorado County, including the primary residence and tangible personal property. On May 25, 2021, Trustee sent to the trust beneficiaries a notification under Probate Code § 16061.7 stating the principal place of administration was his attorney's office in El Dorado County, which is where the Trust has been continuously administered since. The Declaration of Gary Bausch attests that all of the trust's tangible personal property, including property previously located in Alameda, has been sold. The sole asset of the Trust is the Trust bank

account, as well as a potential claim to funds held in the El Dorado County general fund as a result of the sale of tax defaulted property in which the Trust held a security interest.

Respondent contends that Petitioners have failed to meet the burden of proof under Code of Civil Procedure § 397, as they have failed to provide any of the necessary information regarding the proposed witnesses in this matter. All Trust documents and filed are stored at the attorney's office in El Dorado County, and all records relating to the ownership and transfer of Trust real property, all records relating to the payment of taxes and tax default sale of the property are held in El Dorado County. The Trust's outstanding claim for excess funds after sale of tax defaulted property will be made in El Dorado County. All witnesses that the Trustee intends to call at trial are located in El Dorado County.

Probate Code § 17002 provides:

> (a) The principal place of administration of the trust is the usual place where the day-to-day activity of the trust is carried on by the trustee or its representative who is primarily responsible for the administration of the trust.
>
> (b) If the principal place of administration of the trust cannot be determined under subdivision (a), it shall be determined as follows:
>
> > (1) If the trust has a single trustee, the principal place of administration of the trust is the trustee's residence or usual place of business.
> >
> > (2) If the trust has more than one trustee, the principal place of administration of the trust is the residence or usual place of business of any of the cotrustees as agreed upon by them or, if not, the residence or usual place of business of any of the cotrustees.

The Court does not find that the principal place of the Trust's administration is located at Trustee's counsel's office in El Dorado County. Respondent's mere assertion that the Trustee is administering the Trust from counsel's office is unsupported by any detail regarding what actions Trustee takes from there. It is unclear to the Court where the day-to-day activity of the Trust is carried out pursuant to § 17002(a), therefore, § 17002(b) applies. As Trustee resides in Alameda County, the Court finds the principal place of administration pursuant to § 17002(b)(1) is in Alameda County. Petitioner's Motion to Transfer Venue to the Superior Court of California, County of Alameda is granted.

The entire proceeding shall be transferred to the Superior Court of California, County of Alameda, including the Verified Petition to 1. Compel Trustee to Account and Report; 2. Compel Production of Information and Documents; 3. Remove or Suspend Trustee and Appoint Successor; 4. Restrain Disposition of Trust Property and Block Sale Proceeds; and 5. For Other Relief – Request for Immediate Interim Orders Re Auction Sales Set for September 14 and September 18, 2026, and the Objection to Verified Petition of Spencer Seidler and Erik Bickel

and Petition Under Cal. Prob. Code § 17200 for Orders Settling the Trustee's First Account, Passing Upon Acts of the Trustee, Reviewing the Reasonableness of the Trustee's Compensation, Instructing the Trustee, and for Attorney Fees and Costs.

13.	**25PR0063**	**ESTATE OF ROBERT DOUGLAS WORRELL**
PETITION HEARING		

Before the Court are the following matters: 1) Petition for Determination of Heirship and Persons Entitled to Distribution; and 2) Petition to Compel Current Account and Limited Related-Party Disclosure and Somerset Safeguards.

PETITION TO COMPEL CURRENT ACCOUNT

On September 14, 2026, Petitioner, Stephen A. Flores-Worrell ("Petitioner"), filed a Petition to Compel Current Account and for Limited Related-Party Disclosure and Somerset Safeguards. A Declaration of Stephen A. Flores-Worrell Correcting Petition and Supporting Declaration was filed on November 2, 2026. On November 18, 2026, Objector/Personal Representative, Robert Patrick Worrell ("Personal Representative"), filed an Objection.

Petitioner requests the following relief:

1. Within 30 calendar days, file and serve a current account through a cutoff no earlier than 15 days before service;
2. Produce for inspection the specified existing records supporting the related-party, occupancy, repair, and disposition schedules;
3. Identify every payment, reimbursement, credit, transfer, fee claim, property transfer, or other economic benefit involving the Personal Representative, Blue Oak Landscape, a relative, household member, affiliated business, or worker selected by the Personal Representative. State the date, amount, recipient, relationship, purpose, supporting record, accounting classification, and asserted Estate benefit;
4. State the basis and duration of Somerset occupancy, rent or other consideration paid, services claimed as an offset, Estate-paid utilities and occupancy expenses, and any property-management or other compensation claimed, paid, credited, or deferred. Reserve rental value, credit, compensation, and surcharge for later determination;
5. Reconcile the $10,385 west-wall payment schedule to the $13,569.68 invoice; identify the issuer, actual payees, relationships, materials purchaser, reimbursements, permits, insurance, licensing, and proof of payment. Disclose any contemplated purchase by the Personal Representative or an affiliate. Require compliance with Probate Code sections 9880 through 9883 and 10501 before any insider purchase;
6. For each inventoried item sold, transferred, abandoned, donated, given away, missing, or removed, state the description, date, method, valuation, recipient,

relationship, notice or authority, gross and net proceeds, and accounting entry; and

7. Set one compliance hearing 35 to 45 days after entry of the order. Reserve all findings concerning breach, surcharge, occupancy credit, compensation, and further fiduciary relief until the disclosures and any objections are heard.

Personal Representative asserts that a completed accounting was sent directly to Petitioner in May 2026. Since this time, Petitioner has requested additional information and documentation, which has been provided. An Inventory and Appraisal was filed on February 27, 2026, which identified the personal property with potential value. A significant amount of personal property remains that have no value to the estate, wherefore adding them to the Inventory and Appraisal would be overburdensome and of no real benefit to the Estate. Personal Representative contends Petitioner's misunderstandings and lack of mental capacity have caused unwarranted and conflicting demands, as well as unnecessary court intervention.

Appearances are required on November 30, 2026.

PETITION TO DETERMINE HEIRSHIP

On March 17, 2026, Petitioner, Christina Kaui Hayes, filed a Petition for Determination of Heirship and Persons Entitled to Distribution. An Amended Petition was filed on April 2, 2026.

On September 14, 2026, the Parties agreed to attend mediation. The hearing was continued to November 30, 2026.

Appearances are required on November 30, 2026.
